Dearest Friend of Rita B Huff:

What a year it's been since our highly successful fundraiser...Pawtoberfest, October 9, 2022! So many homeless animals have received shelter, food and life-saving veterinary care, countless others have found their forever homes, and groundbreaking of our new shelter occurred at 1495 Veterans Memorial Parkway. It has truly been a year of growth, generosity and gratitude! Our heartfelt thanks on behalf of the animals whose lives you have touched by advocating on their behalf.

Construction on our Kennel Building is almost complete and the foundation has been poured for our Administration/Surgery Building. Our long-awaited plans are becoming a reality. We are making progress and your support will provide the path to a smooth transition into the new facility and help fund and expand the operations of Rita B Huff. Rita B. Huff herself would be thrilled with our expansion. We are honored and humbled to continue her legacy of helping the homeless, abused and neglected animals in Walker County.

Much of the Shelter's success this past year can be attributed to our Executive Director, Lori Toliver. Her determined commitment, tireless dedication and strategic Facebook marketing have greatly increased the adoption rate. We are blessed to have her at the helm. Our staff is top-notch, working one on one with the animals, giving them unconditional love and offering tender loving care. We are very proud of this hard-working and dedicated team who face varying challenges every single day!

All of this progress would not be possible without the generous support of a compassionate and caring community. We're reaching out to you because you've already demonstrated your interest in the plight of the homeless animals in our community. With your support, we can impact our
